

Timber Tax Update Part I

Forestry Webinar Series

Presented by Linda Wang.

Forest Taxation Specialist, State and Private Forestry, USDA Forest Service

This special one-hour tax program is one in a two-part program that provides an update on timber tax to assist landowners and foresters in the 2009 filing season. It will discuss timber tax law and rules on reporting income and expenses and proposed new regulations by the IRS.

One hour of SAF CFE Category I credits have been applied for.

February 27, 2009 12:00 PM EST to 1:00 PM EST
